## **CONDITIONS FOR ADMISSION**

- Catholic Agricultural College is a Catholic school in the Edmund Rice tradition. The first condition for admission is that students and their parents accept the values underlying the Catholic philosophy of education, and that students undertake to participate fully in the faith practices and observances of the school.
- When accepting a place at Catholic Agricultural College, students and their parents make a commitment that the student will abide by the College rules and standards of conduct and behaviour.
- Acceptance of a place implies the undertaking on the part of the student to understand and support the programmes of the College, and to participate fully in all College activities, curricular and co-curricular, as required of them; and an undertaking on the part of the parents/guardians to support and encourage this participation.
- Students are enrolled on the assumption that they are able to benefit from the academic and other programs of the College.
- Parents/Guardians are responsible for the prompt payment of all fees and charges as rendered by the College in terms of the School Fees Setting and Collection Policy, and are jointly and severally bound. The policy can be obtained on request. The College participates in the Catholic Education Office Healthcare Card program. It is highly recommended that you obtain further details and criteria for qualification from the Business Manager prior to submitting your enrolment documentation.
- Any change of address, or cancellation of the application for any reason, must be notified in writing. If a parent wishes to change an application to an earlier/later year for some reason, this must also be done in writing.
- Failure to notify change of address may render this Application for Enrolment void.
- All relevant enrolment information must be disclosed on the Enrolment Form. Failure to fully disclose this information may render this Application for Enrolment void.

## ENROLMENT POLICY

- Applications for enrolment are accepted in the context of the Conditions for Admission as stated above.
- Major intake years are Year 7, Year 8 and Year 11, and other years as numbers allow.
- Parents/Guardians should understand that the College's acceptance of an application for enrolment does not guarantee a place, nor does it guarantee an enrolment interview, but simply includes the student's name on a waiting list with other candidates.
- If there are vacancies, the following priorities are observed:
  - Siblings of current students
  - Catholic students with a Parish Priest reference
  - Other Catholic students
  - Sons / daughters of ex-students
  - Non-Catholic students from Catholic primary schools
  - Non-Catholic students from other Christian denominations
  - Other non-Catholic students
- Decisions regarding the acceptance or otherwise of an application are taken at the discretion of the Principal
